

Henderson Haul Route Description

Turning north onto SR 9 (leaving pad) and turning right onto Henderson Rd (arriving at pad) is not an option (dangerous intersection) – please follow route exactly!

Utilize the SR 149 exit off I-70, head East on 149, then North on SR 9 and turn left onto Henderson Rd – DO NOT take a short cut and arrive from the North on SR 9, you will cause an accident at that intersection!!

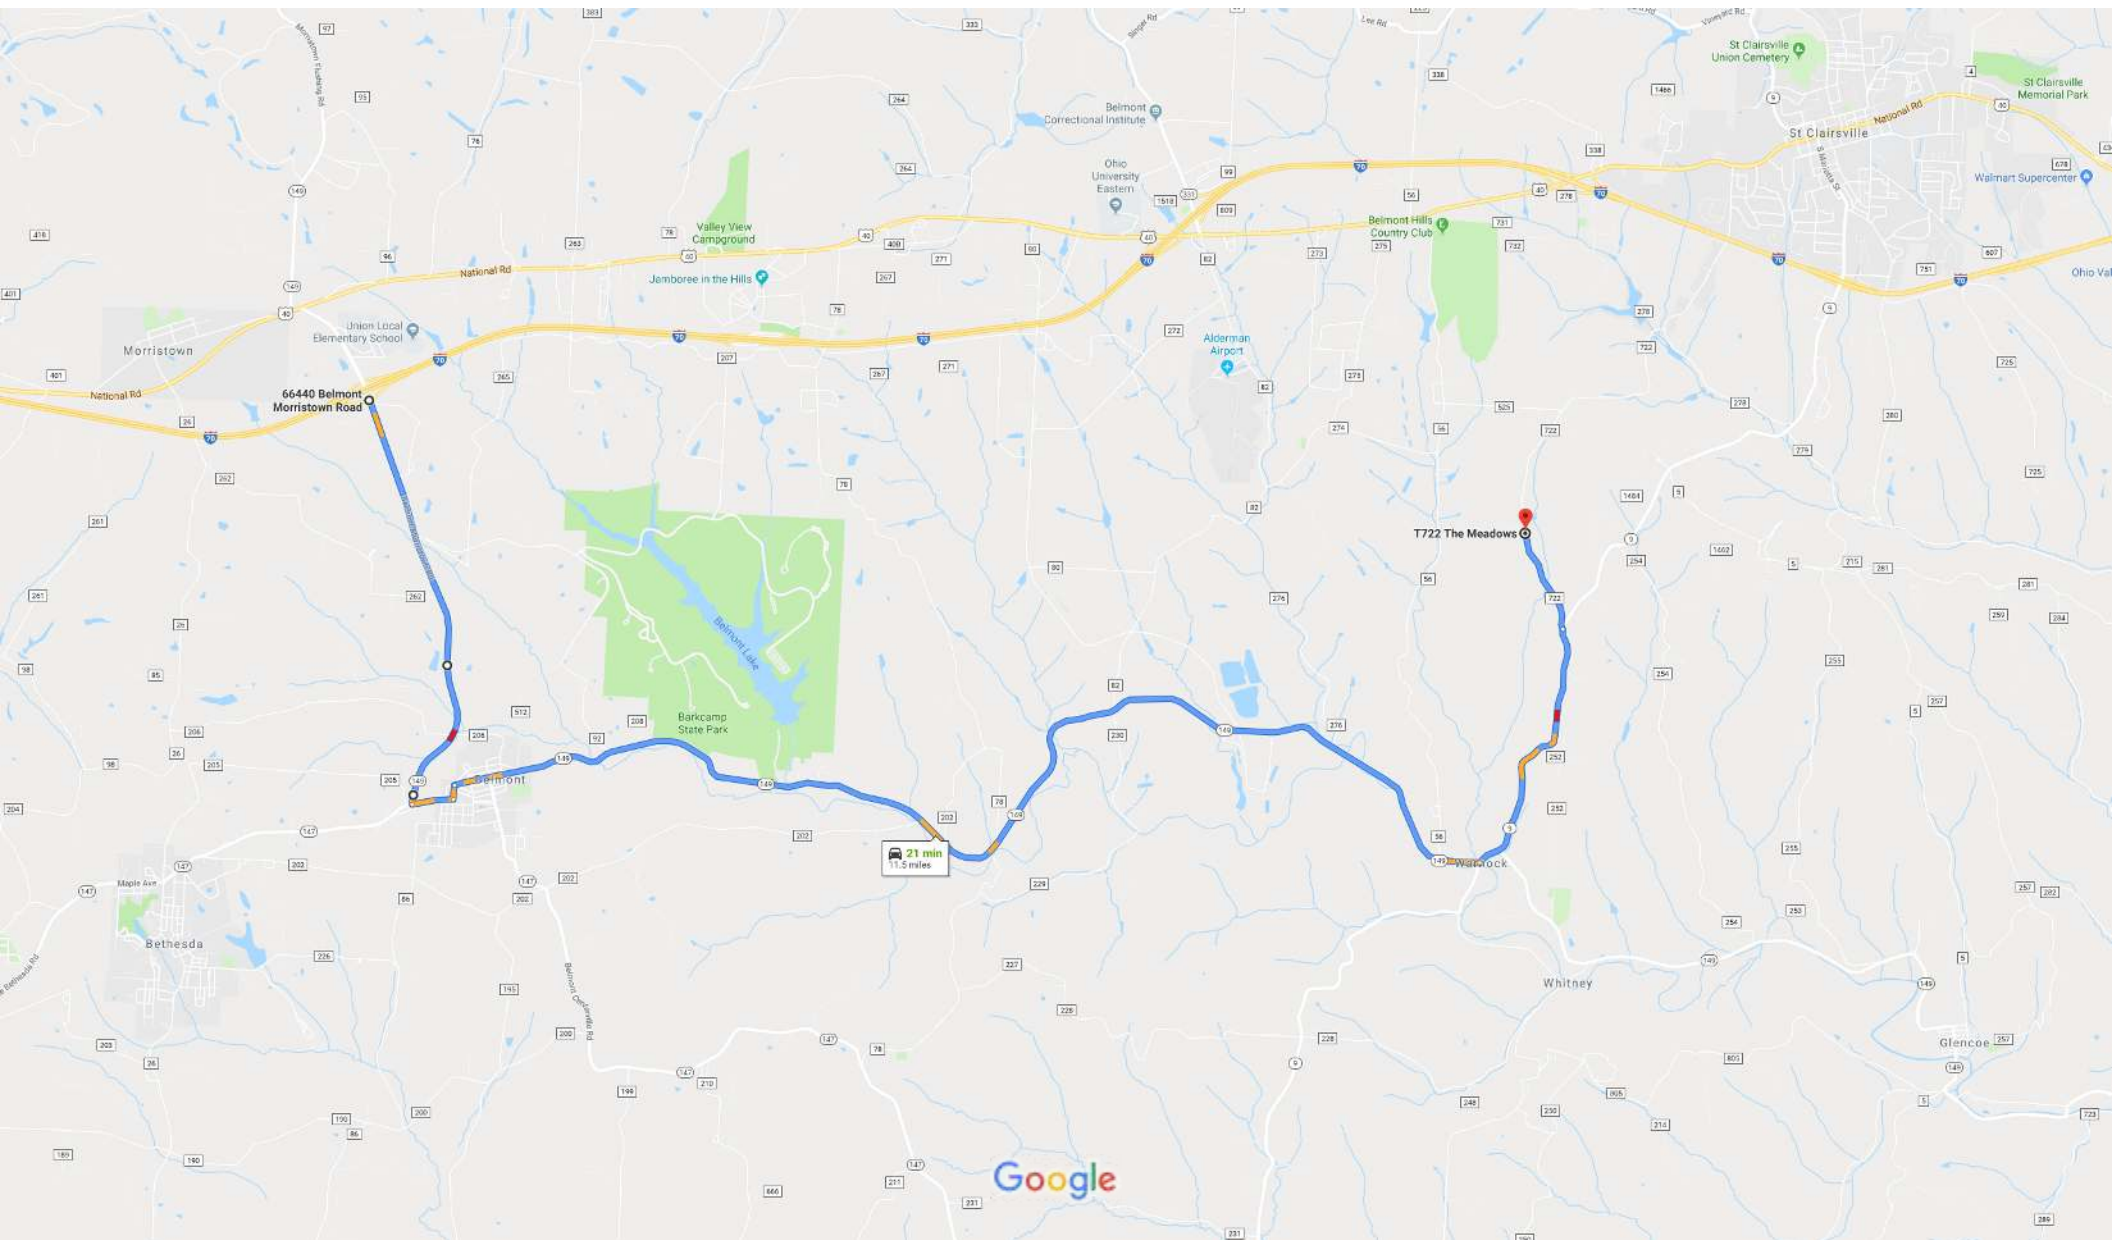

If ODOT causes detours or alternate routes due to construction and they insist on redirecting you to arrive from SR 9 to the North, you will need to use our Eureka or Borovich pads to the South on SR 149 as turn around sites.
