It is advisable to keep the RUMA and Map either in all vehicles or accessible by mobile device. All oversized/overloaded vehicles will need a permit through the ODOT website. Any route applied for with ODOT that can't be navigated will kick back with an alternate route. Please contact Ascent's Roadway Field Superintendent, Jeff Beck, at 614-896-0599 or jeff.beck@ascentresources.com prior to using the alternate route, if applicable. Even though ODOT approves, it still could include unauthorized roads/bridges.
