

## Sunset to Ware Overwidth Rig Move

(Only needed if width restriction is on US 250 or if left turn from CR 4 to CR 16 is problematic)

## Driving Directions

**At the bottom of the lease road, turn right onto TR 458, Buckeye Run Road.**

**Drive 0.4 mile and turn right onto us 250.**

**Drive 8.1 to the intersection with CR 71.**

**Under traffic control, pull north on 250 and then back into concrete lot to turn around.**

**Drive 0.3 mile back on US 250 and turn left onto OH 150.**

**Turn left onto TR 466, Barnes Road.**

**Drive 1.1 miles. Access will be on the right.**

**Total distance is 17.5 miles excluding lease roads.**
